**Screening Decision**

**A: NO IMPACT IDENTIFIED ON ANY CATEGORY – EQIA UNNECESSARY**

Please identify reasons for this below

The purpose of this Policy and Procedure is to provide a fair and consistent framework for handling work related grievances raised by Council employees in line with NI employment legislative requirements.

The Council provides this Policy and Procedure as a way of ensuring all people have access to the policies and procedures to provide a process that is clear and makes reasonable adjustments on the grounds of disability where and when necessary.

We do not foresee any negative impact on any of the section 75 groups in the implementation of this policy.

## **B: MINOR IMPACT IDENTIFIED – EQIA NOT CONSIDERED NECESSARY AS IMPACT CAN BE ELIMINATED OR MITIGATED**

Where the impact is likely to be minor, you should consider if the policy can be mitigated, or an alternative policy introduced. If so, an EQIA may not be considered necessary. You must indicate the reasons for this decision below, together with details of measures to mitigate the adverse impact or the alternative policy proposed.

## **C: MAJOR IMPACT IDENTIFIED – EQIA REQUIRED**

If the decision is to conduct an equality impact assessment, please provide details of the reasons.

### **Timetabling and Prioritising**

**If the policy has been screened in for equality impact assessment**, please answer the following questions to determine its priority for timetabling the equality impact assessment.

On a scale of 1-3 with 1 being the lowest priority and 3 being the highest, assess the policy in terms of its priority for equality impact assessment.

#### **Policy Criterion**

#### **Rating (1-3)**

Effect on equality of opportunity and good relations

Social need

Effect on people's daily lives

The total rating score should be used to prioritise the policy in rank order with other policies screened in for equality impact assessment. This list of priorities will assist the Council in timetabling its EQIAs.

Is the policy affected by timetables established by other relevant public authorities? If yes, please give details.

### **Monitoring**

Effective monitoring will help the authority identify any future adverse impact arising from the policy. It is recommended that where a policy has been amended or an alternative policy introduced to mitigate adverse impact, monitoring be undertaken on a broader basis to identify any impact (positive or adverse).

Further information on monitoring is available in the Equality Commission's guidance on monitoring ([www.equalityni.org](http://www.equalityni.org)).

Identify how the impact of the policy is to be monitored

Regular monitoring of the procedure, HR checklists as needed
