

## FOCUS ON: DROMORE PUBLIC REALM

### projectupdate

Bridge Street left hand side

Porphyry paving and kerbing is substantially complete on both sides of Church street including the Lottery Place entrance, with the new cycle stands installed outside the Velvet Rose. The area at the Velvet Rose and Dromore Picture Framing vehicle entries will commence once high services are lowered by the utility company.

Porphyry paving and kerb installation is also complete on both sides of Gallows Street and along the North side of Market Square onto Princes Street

Porphyry paving and kerb installation is now complete along the Left hand side of Bridge Street from Market Square South to the junction with Meeting Street providing a new section footpath along past Bridge Books to Downshire Bridge. Two cycle stands have also been installed outside of the Elim Church

Paving and kerb installation is also complete on the right hand side of Bridge Street from Bridge Motor Works to Meeting Street.
