OUTDOOR PARTNERSHIP

Exciting Opportunity for your club to Join The Outdoor Partnership (TOP) to access our coach education programme.

To kick start our initiative we are running a range of National Governing Body (NGB) Awards, as well as first aid and safeguarding for £20 per day for club volunteers. For those volunteers that do not have the necessary personal skills required to attend NGB courses, they will be able to access our Mentoring scheme for £20 per day under an experienced coach or instructor.
