Safe Homes

Everyone has the right to feel safe in their own home. Domestic abuse is never acceptable. We want to stop perpetrators of domestic abuse this Christmas.

If you or someone you know is suffering from domestic abuse, please contact police on 101 or report online at psni.police.uk/report.

Always dial 999 in an emergency.

If you need help but you are too afraid to speak you can use the silent solution:

- Dial 999
- Listen to the questions from the 999 operator
- Respond by coughing or tapping the handset
- If prompted press 55 and you will be put through to police

We are here for you
