Safe Socialising

You can help us to keep you safe by:

- Planning your day or night out, including how to get home
- Staying with your friends and arranging a meeting place for the end of the night if you become separated
- Drinking responsibly and knowing your limits
- Being respectful of others
- Telling your friends or family what your plans are and updating them if your plans change
- Making sure you have enough money to pay for your journey home
- Taking only the personal items you need out with you
- Keeping valuables out of sight
- If you feel very drunk or unwell after just a small amount of alcohol then ask a trusted friend or a member of staff/security for help

Report any suspicious activity to us on 101 or online at **psni.police.uk/report**
